

# INTERNET AND WEB PROGRAMMING I COMPONENT

## VentureHome

An online shopping stop for all your housing needs

### TEAM DETAILS

20BCI0081 DIVYANSH SING

20BCE2166 ANUJ SINHA

20BCE2495 GONA ANUDEEP SIMHA REDDY

### ABSTRACT

The project aims to create an online shopping site that deals with furniture and related items. The site will be a simple and clean looking one with easy-to-use interface.

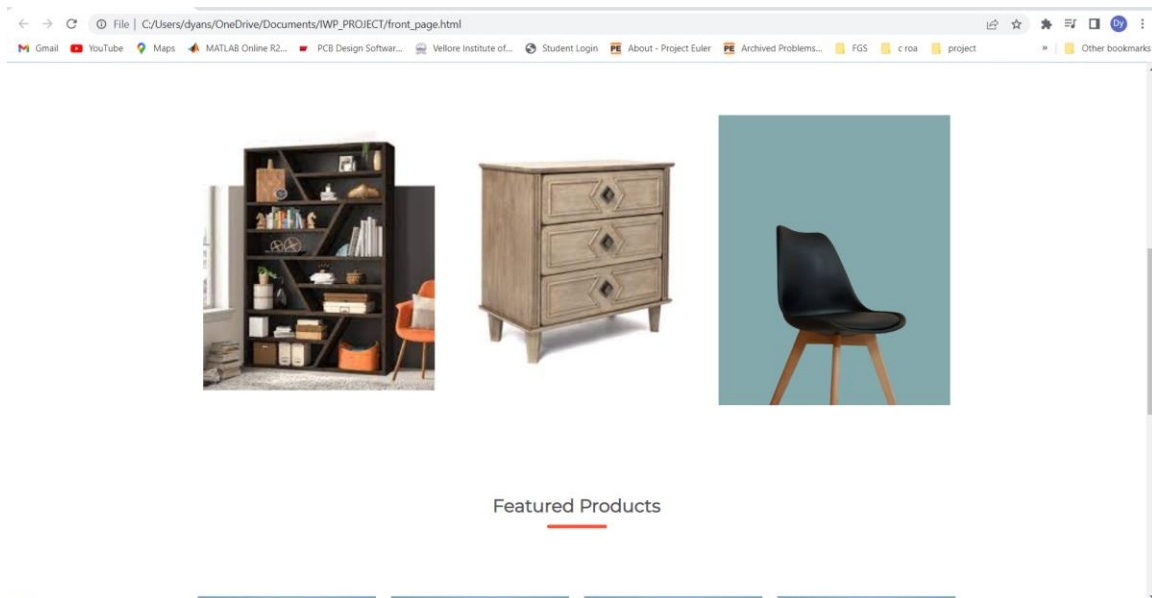

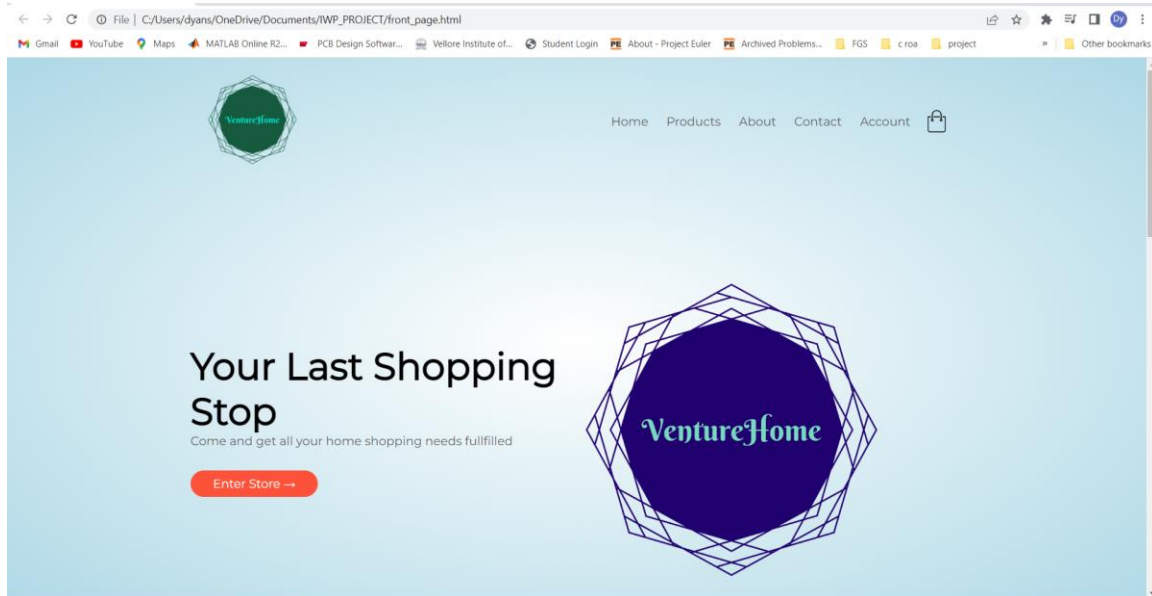

### MODULES

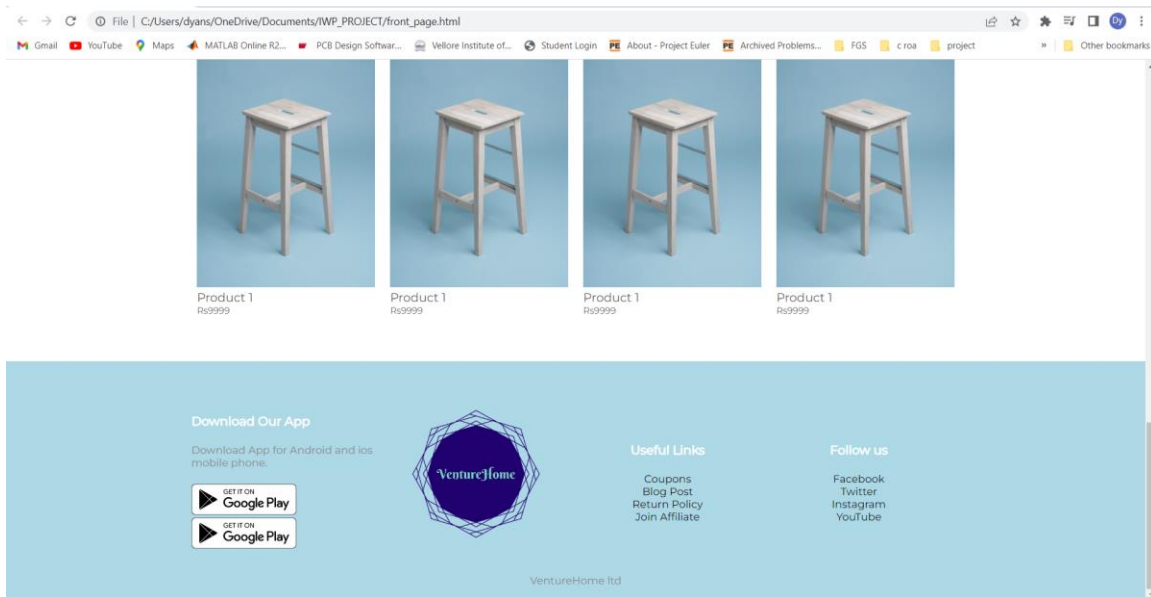

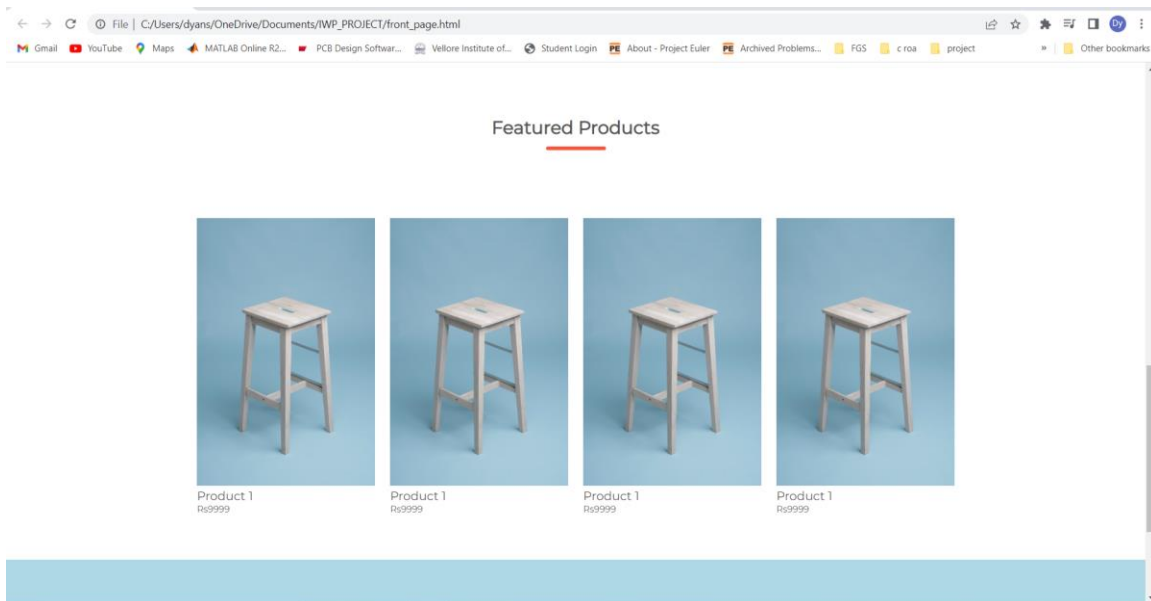

The modules include:

- Front Page – The Front Page of the site to welcome users
- Products Page – Page with list of products
- Product Page – Page containing product information
- Sign In Page – Page for Sign In
- Sign Up Page – Page for Signing Up
- Check-Out Page – Page for checking out
